

Prices for Room Hire at Dunoon Community Shed

Introduction

With the completion of new facilities at the Shed, we are now ready to start taking bookings for use by community organisations. Below is a table of rates for the rooms from 1st April 2025. This will be reviewed regularly to ensure that the facilities and the hire rates are workable.

The hire fee is for external organisations, not for use of the spaces by Shed members who will, within reason, have use of the facilities as part of their membership and attendance fees. Some users such as martial arts, tabletop gamers, etc. have opted to all become members and pay the regular attendance fees for use of the spaces. This option may not be suitable for outside and community groups.

Note that all rooms within the main building can be accessed by wheelchair but the caravan meeting room cannot be due to steps and narrow doors.
